On March 11, 1992, Telecare, Inc. ("Telecare") filed its application with the Commission seeking a Certificate of Public Convenience and Necessity to provide intrastate, long-distance telecommunications services as a reseller within the Commonwealth of Kentucky.

Telecare is an Indiana corporation proposing to resell the services of other certified carriers within the Commonwealth of Kentucky in accordance with the terms and conditions set forth in its tariff. Telecare is not seeking authority to provide any operator-assisted telecommunications services.

Telecare owns no transmission or reception telecommunications equipment and the equipment, operating facilities and networking will be provided by the underlying carrier. Order processing and customer billing shall be provided by Telecare.
